International Seabed Authority

Ekamawir Omo

Stakeholder Consultation

Corey McLachlan,
Head of Stakeholder Engagement at
The Metals Company

Sara Shen,
Senior Associate at
Strategic Earth Consulting

Stakeholder Consultation Context

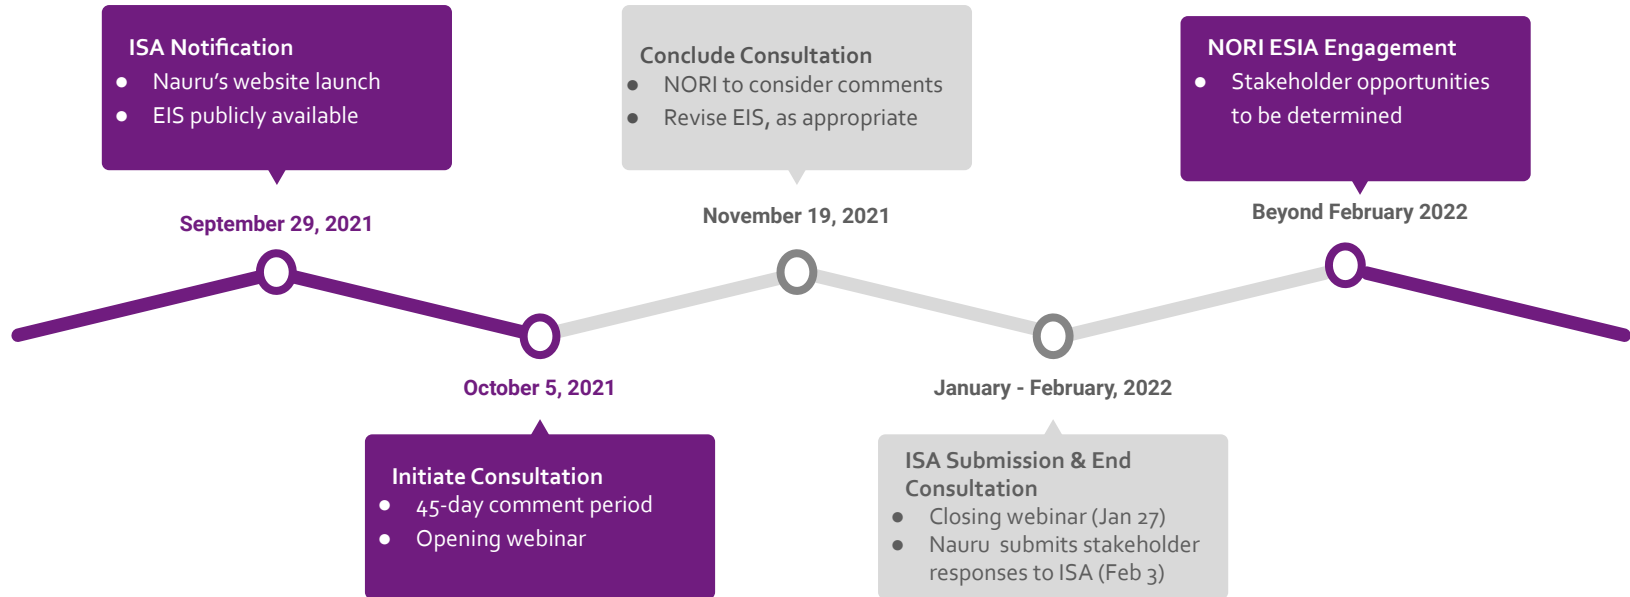

Today is focused on the Collector Test EIS, which is a component of NORI's larger ESIA process

NORI is committed to an inclusive, open and transparent process that keeps stakeholders informed and included throughout the ESIA process

There will be multiple opportunities to engage throughout the process

EIS Collector Test
